Quote from previous student:

“I think the most important thing I got out of KLS is to realize the scope of the Father’s Love for us, and that HE passionately desires to work in partnership with each of us. No one is insignificant. We each have a special place in the eternal plan of our Heavenly Father. He passionately desires to commune with us just as He did with Adam and Eve before the fall. We just need to find that secret place and get in touch with God.”
